PROVISIONAL PATENT

Siyang Li, George F. Smoot III, Thorsten Stezelberger. "Silicon Photomultiplier Telescope Camera," U.S. Provisional Patent Ser. No. 62/940,250, filed November 26, 2019.

AWARDS AND FELLOWSHIPS

National Science Foundation Graduate Research Fellowship <i>5 year fellowship providing \$34,000 per year in funding for three years.</i>	2022 -
Regents' and Chancellor's Scholarship <i>Awarded to the highest ranked (1.6%) undergraduates at the University of California, Berkeley.</i>	2016 - 2020
Society of Photo-Optical Instrumentation Engineers (SPIE) Optics and Photonics Education Scholarship <i>Awarded "to outstanding individuals for their potential long-range contribution to optics, photonics, or other related fields" from around the world.</i>	2019
8th Applied Optics and Photonics China Best Poster Award <i>Awarded for the best poster at the 8th Applied Optics and Photonics China conference. Evaluated among posters written by master's students, Ph.D. students, and postdocs from around the world.</i>	2019
Measurement Science Conference Scholarship <i>National scholarship awarded to individuals who demonstrate potential and achievements related to measurement science. Recipients also receive full admission to the Measurement Science Conference in Anaheim, California from April 16-19, 2019 (attended).</i>	2019
Summer Undergraduate Research Fellowship <i>Awarded to fund student initiated research leading to a senior thesis and/or publication.</i>	2019
Berkeley Academic Opportunity Fund Grant <i>Awarded to fund "opportunities for individuals and student groups to represent and further the University of California, Berkeley's academic prestige and dedication to education".</i>	2019
Regents' and Chancellor's Research Fellowship <i>Awarded to fund student initiated research.</i>	2017, 2018
Hong Kong University of Science and Technology International Research Fellowship <i>Fellowship fully covering airfare, ground transportation, housing, and meals.</i>	June 2017, Dec. 2017, Dec. 2018, July 2019
Berkeley Physics Undergraduate Research Scholarship <i>Awarded to fund student research in the physics department.</i>	2017 - 2020
